Thank you for all the wonderful feedback as to where we could take our popular **Social Outings** in June, you have us venturing again to some new destinations around Sydney, the Western Sydney International Airport Experience Centre followed by lunch at Blacktown Workers and then heading south with a scenic drive to enjoy The Boat Shed, La Perouse ... we also have a couple of shorter outing favourites closer to home for morning tea at My Little Cupcake, Neutral Bay and Billi's Café, McMahons Point.

Our **Hop On • Hop Off** service is proving to be a crowd pleaser offering ease of transport to, and from, different destinations where you can then explore and wander independently at your own leisure. This month on the 21st of June we have included a trip to the Art Gallery of New South Wales, the 2021 Archibald, Wynne and Sulman exhibition will be on display so make sure you book your tickets prior.

Due to popular demand our **Weekend Out & About** program will be visiting the Northside Produce Markets, North Sydney both weekends in June and we can take you there, door to door and hassle free!

Lastly, do not forget about our **Individual Transport** around the Lower North Shore & beyond delivered Weekdays 7:30am - 5pm with ease, safety and assurance that you will get where you need to go.
